Welcome to Kee's, where every sip is a journey through history and whimsy!

Our moniker is a salute to the legendary Chye Hua Seng Wee Kee remittance house, with a tip of the hat to our coveted location snug between bustling Clarke Quay and Boat Quay.

In the kaleidoscope of Singapore's yesteryears, Carpenter Street was alive with the hustle and bustle of peddlers, luring in passersbys with exotic spices and succulent fruits.

Today at Kee's, we toast to that vibrant era with cocktails infused with heritage spices & fruits, each sip a tantalizing glimpse into the past.

Matthieu Barret

In the rugged heart of the Northern Rhône, Matthieu Barret's journey with Domaine du Coulet began in the late 1990s, but his roots run far deeper. A seventh-generation vigneron, he honed his craft in Beaune before returning to Cornas, where he transformed a small inheritance into a thriving biodynamic estate.

With vines gripping steep, sun-kissed granite terraces, his philosophy is simple—minimal intervention, pure expression. Certified organic since the early 2000s, Matthieu trusts indigenous yeasts and replaced machines with mules and manual labor to foster biodiversity.

This wine, crafted from 100% Dureza—the genetic ancestor of Syrah—embodies his relentless pursuit of terroir-driven excellence, yielding powerful, concentrated wines that honor both history and nature.

<b>JE SUIS TON PÈRE</b>		
Dureza		
Rhone Valley, France		
Fruity aromatic expression with spicy hints. Smooth, dominates the palate, well structured, a balanced acidity and tannins with good length		

### DUREZA

A red grape variety indigenous to northern Rhone. Dureza is a nearly extinct grape that is a genetic parent of Syrah.

A lighter red wine with notes of black fruits, purple flowers, and as it opens up more animal-like rustic qualities in the palate.
